

The land of recreation and *medtech innovation.*

ORLANDO

YOU DON'T KNOW
THE HALF OF IT.®

Florida has the second highest number of medical device manufacturing companies in the country. As Florida's most connected city, Orlando has easy access to these advanced manufacturing capabilities. Fast-growing medical device companies and global players have set up shop in Orlando because of its recognized medical device training expertise.

FEATURED EMPLOYERS

TALENT PIPELINE

Orlando universities offer specialized programs dedicated to preparing the biotechnology and pharmaceuticals workforce. Applicable programs include:

- **University of Central Florida**
Medical Robotics Lab, Institute for Simulation & Training, and a nationally ranked Robotics Club
- **Embry-Riddle Aeronautical University**
