

A top destination for tourists and *simulation*.

ORLANDO

YOU DON'T KNOW THE HALF OF IT.®

THE BIRTHPLACE OF THE EXPERIENCE ECONOMY.

Simulation-based technology has been a key ingredient to Orlando's economy since it was first developed to take man to the moon. Now, the technology spans many of Orlando's core industries and drives innovation in sectors from aviation, aerospace and defense to education, healthcare and even gaming.

IT'S A SMART WORLD AFTER ALL

Orlando universities offer specialized programs dedicated to preparing the workforce of the future.

Full Sail University

- Bachelor's Degree in Simulation and Visualization
- Augmented and Virtual Reality Lab

Orange Technical College

Modeling Simulation Production Program

University of Central Florida

- Institute for Simulation and Training
- Florida Interactive Entertainment Academy

Embry Riddle

Aeronautical University
Simulation Science, Games and Animation Program

Modeling. Simulation & Training Capital of the World

\$6B+ Annual Simulation-Related Contracts

National Center for Simulation, 2019

Navy, Marine and Army Simulations Commands Are in Orlando

KNOWN FOR THE COMPANIES WE KEEP

“There's a lot of simulation expertise in the region that came out of the aerospace and defense realm. Orlando is the simulation center of competency....”

FRAM AKIKI
VP of Electronics & Semiconductor Industry at Siemens

INDUSTRY ASSETS

Orlando's established industry cluster has grown due to supportive R&D and funding partners like the annual I/ITSEC conference and the National Center for Simulation.

I/ITSEC

I/ITSEC is the world's largest modeling simulation and training event held in Orlando every year.

National Center for Simulation

The mission of NCS is to serve as the nation's focal point and catalyst for the development, understanding and advancement of simulation and related technologies; to improve defense readiness and facilitate space exploration; to support education and training initiatives; and to extend useful applications of simulation.

MAJOR DEVELOPMENTS

VA Medical Simulation Center: SimLEARN

The Simulation Learning, Education and Research Center (SimLEARN) is the largest medical simulation center in the country. Serving the largest integrated healthcare system in the world, VHA's SimLEARN provides an ever-growing body of curricula and best practices that improve health care for the nation's veterans.
